

REMARKS

Claims 23-28 and 31-38 have been canceled. Claims 29 and 30 are active in the case.

Reconsideration is respectfully requested

Applicants wish to thank the Examiner for the indication of allowable subject matter in the case in the form of Claims 29 and 30. Accordingly, applicants have now canceled all of the other active claims in order to allow Claims 29 and 30 to issue. Withdrawal of the grounds of rejection raised under 35 USC 103 is respectfully requested.

The specification has been amended in order to correct a minor error on page 1 of the specification by clarifying that the active fluoroalkyl group containing agent is a fluoroalkyl group containing organosiloxane and not an organopolysiloxane. Entry of the amendment is respectfully requested.

It is believed that the claims are in proper condition for allowance. Early notice to this effect is earnestly solicited.

Respectfully submitted,
